[32 Candles](#) Ernessa T. Carter 2010-06-22 "32 cheers for Ernessa T. Carter! She's created one of the freshest, funniest characters I've ever read....32 Candles is a charmer." —Carleen Brice, author of Orange Mint and Honey 32 Candles by exciting newcomer Ernessa T. Carter is the slightly twisted, utterly romantic, and deftly wry story of Davie Jones, who, if she doesn't stand in her own way, just might get the man of her dreams. For fans of John Hughes's "Sixteen Candles", 32 Candles is a fresh and fun fiction debut for every fan of romantic comedy.

[Candles for November](#) Barry Eysman 2008-12-03 Heart's home perfect, in a journey through longing memories, a girl's mid July tears, wars fought in the soul and in the mind, homecoming when a photo is an entirety of a child, an urban legend linking past beauty with current sad age and most happy ending, letters to the founder of me, a 12-year old going blind and the splendid joy at the finality, a mad miracle at Fifth and Lex, a November gray skied and promise of snow, Gojira, an only hope, a Leif that causes trembles in midnight irony, these and more, to someone waiting for me and for them maybe, a welcome home long time running back to deep Autumn and a friend's face never forgotten for one single second. A love story, all of it. Let me tell you once upon a time on a snowy country road come November....
