Crossword Puzzles for Kids Ages 9 to 12 Blair Feliz 2020-12-25 What do we want? Crosswords! When do we want it? Preferably last week! Are you afraid of your kids' brains turning to mush with overexposure to phone games and mindless videos? Give them something challenging to keep their minds active! Crossword puzzles... Improve your mood Distracting your child from stress and boredom will help channel any of those negative emotions into positive ones, enhancing their life experience (and yours!) in the long run. Expand your vocabulary Exposing your youngin to brand new words will help form a solid foundation of literacy, both on paper and in their speech. Keeps the brain sharp Regularly doing crosswords will fire up those rusty brain cells, awakening and strengthening your memory and cognition through active learning. But Blaire, aren't there other ways to do this? Yeah! Probably! But the fun of the crossword puzzle is every one is unique so it's way more entertaining than getting stuck in autopilot mode staring at a cell phone screen or trying to find a certain striped-sweatered man in a sea of strangely similar looking people. Added bonus: it keeps the kids quite for a little while;) So let's get this show started! Scroll up, hit the Buy Now button and gift yourself a little peace and quiet. You deserve it.

Brain Games for 8 Year Olds Leland Books 2020-04-07 Workbooks for kids have been the same for such a long time. Books titled "for kids ages 6-8 or 8-10 or 8-12" can be found anywhere and even become best sellers. Nevertheless, it is scientifically proven that every child grows significantly every year and kids of different ages are not alike. A high-quality book cannot fit second graders and fourth graders at the same time. Forced to learn with an unsuitable book, kids may start to get bored, waste their time and lose their interest in studying. As educators and parents, we care about your kids and understand their characteristics, needs and thinking skills. Unlike other books for a wide age range, this book is tailored for 8-year-olds. Our book "Brain games for 8 year old: Word search, Crossword & Sudoku" is published to foster a positive approach to education for this particular stage of growth. But why not 1, but 3 contents? This book aims at providing your kids with interesting learning experiences and promoting balanced brain development: Word Search and Crossword puzzles: There are 15 topics in each type. These word games help to

enhance kids' spelling and word recognition skills. Also, children can improve their vocabulary, as well as strengthen their attention, which can positively influence their future. Sudoku: 60 puzzles of 6x6 and 9x9 grids can level up kid's brain power by developing analytical and logical thinking, and promote healthy pleasure. If you think your beloved children deserve the opportunity to learn with an age-appropriate book, you have come to the right place! This book is a part of our series, "Brain Games for Clever Kids", each of which suits a particular age, highly recommended by teachers and researchers for comprehensive intellectual development.
