About the Author Charley Dickson is a former Oregonian who now lives full-time in a 38' Class A motorhome in various places around the country. In his 30+ years of RVing, he and his wife have traveled in a pop-up trailer, a 30' travel trailer, a 29' Class C motorhome, a 40' 5th wheel trailer, and two Class A motorhomes. He's been to most of the country, but there are still many places he and his wife will be seeing. He's a firm believer in being more of a do-it-yourselfer rather than having someone else do a repair or modification. As such, he's a staunch supporter of doing the homework to find out as many aspects of a certain subject as possible. As such, this book is written for other folks who want to know more about RVing. HowExpert publishes how to guides by everyday experts.
