Bike Lust Barbara Joans 2001-08-03 Bike Lust roars straight into the world of women bikers and offers us a ride. In this adventure story that is also an insider's study of an American subculture, Barbara Joans enters as a passenger on the back of a bike, but soon learns to ride her own. As an anthropologist she untangles the rules, rituals, and rites of passage of the biker culture. As a new member of that culture, she struggles to overcome fear, physical weakness, and a tendency to shoot her mouth off—a tendency that very nearly gets her killed. Bike Lust travels a landscape of contradictions. Outlaws still chase freedom on the highway, but so do thousands of riders of all classes, races, and colors. Joans introduces us to the women who ride the rear—the biker chick, the calendar slut straddling the hot engine, the back-seat Betty at the latest rally, or the underage groupie at the local run. But she also gives us the first close look at women who ride in their own right, on their own bikes, as well as a new understanding of changing world of male bikers. These are ordinary women's lives made extraordinary, adding a dimension of courage to the sport not experienced by males, risking life and limb for a glimpse of the very edge of existence. This community of riders exists as a primal tribute to humanity's lust for freedom.

Riding the Rim Terry L. Forrette 2010-08-11 Riding the Rim is one man's response to the catastrophic events in New Orleans following Hurricane Katrina. The wetlands had been disappearing at an ever-increasing rate over fifty years. America's demand for oil

combined with a mismanaged levee system had finally dealt a mortal blow to the defenses of New Orleans. The city lay open to the wrath of a 20 foot wall of tidal surge. We could not let this happen again. Little was being done. It was important that someone step up. Someone did. The audacious idea was that a guy on a motorcycle, traveling 16,500 miles around the perimeter of the United States, talking about coastal erosion just might call attention to the issue. If this rider was also a trained public speaker with a passion for his message, perhaps he could be the catalyst needed to raise awareness in the rest of the country. There was no way to predict success. There was risk as well as reward. The author took the risk and discovered a nation genuinely concerned for New Orleans but with little understanding of the importance of the wetlands to the country's economy and security. The wetlands are still endangered, but one man stepped up and made his voice heard. This is his story. "While many serve the cause of saving America's WETLAND, Terry Forrette takes his show on the road, mile by mile enlisting supporters. These personal and sincere acts of advocacy are seldom recognized in a time of media hype, but they are the backbone of our efforts to show that America cannot not afford to lose coastal Louisiana." Valsin A. Marmillion Managing Director, America's WETLAND Foundation President and Founder, Marmillion + Company

Chocolates on the Pillow Aren't Enough Jonathan M. Tisch 2007-04-18 Praise for Chocolates on the Pillow Aren't Enough "Jonathan recognizes that in today's Internet-fed, savvy-consumer world, it is the people-to-people connections, regardless of price point, that differentiate a customer's experience. Gimmicks come and go, but without sincere and caring people delivering the overall experience, from start to finish, well, it's true--chocolates on the pillow are not enough. A great read!" —David Neeleman, founder and CEO, JetBlue Airways Corporation "If you don't work for your customer, you're not doing your job. Who better to turn to for lessons in great customer experiences than Jonathan Tisch? He has long been one of the most respected leaders in travel and hospitality, and when it comes to treating all customers like guests, to put it simply, he gets it. And then some." —Millard S. Drexler, Chairman and CEO, J. Crew Group "What brings customers back to my restaurants? Why do viewers watch my TV show? It's more than Bam! It's delivering a kicked-up customer experience. Tisch is the guy who knows how to do this best. His book gives the inside scoop on how to excite your customers and bring 'em back for more." —Emeril Lagasse "Attention to detail, passion, and dedication are a few of the things that made me successful as an athlete. Jonathan knows that by doing the same in business, you maximize the customer's experience and outscore the competition." —Tiki Barber
