A heartbreaking, time-bending, galactic mindbender delivered in the mordantly funny clip of a doomed antihero."—Daniel Kraus, co-author of *The Shape of Water* Now in paperback, this mind-bending and emotional speculative thriller is set in a world where the exact moment of your death can be predicted—for a price, featuring an excerpt from the upcoming *Bride of the Tornado*. Our narrator is the most talented salesperson at Dare to Know, an enigmatic company that has developed the technology to predict anyone's death down to the second. Divorced, estranged from his sons, and broke, he's driven to violate the cardinal rule of the business by forecasting his own death day. The problem: his prediction says he died twenty-three minutes ago. The only person who can confirm its accuracy is Julia, the woman he loved and lost during his rise up the ranks of Dare to Know. As he travels across the country to see her, he's forced to confront his past, the choices he's made, and the terrifying truth about the company he works for. Wildly ambitious and highly immersive, this thought-provoking thriller explores the destructive power of knowledge and collapses the boundaries between reality, myth, and conspiracy as it races toward its shocking conclusion.

Looking for Group Alexis Hall 2016-08-29 So, yeah, I play Heroes of Legend, y'know, the MMO. I'm not like obsessed or addicted or anything. It's just a game. Anyway, there was this girl in my guild who I really liked because she was funny and nerdy and a great healer. Of course, my mates thought it was hilarious I was into someone I'd met online. And they thought it was even more hilarious when she turned out to be a boy IRL. But the joke's on them because I still really like him. And now that we're together, it's going pretty well. Except sometimes I think Kit--that's his name, sorry I didn't mention that--spends way too much time in HoL. I know he has friends in the guild, but he has me now, and my friends, and everyone knows people you meet online aren't real. I mean. Not Kit. Kit's real. Obviously. Oh, I'm Drew, by the way. This is sort of my story. About how I messed up some stuff and figured out some stuff. And fell in love and stuff.

The Crucible Arthur Miller 2012-03-19 "The Crucible" is a 1952 play by the American playwright Arthur Miller. It is a dramatization of the Salem witch trials that took place in the Province of Massachusetts Bay during 1692 and 1693. Miller wrote the play as an allegory of McCarthyism, when the US government blacklisted accused communists. Miller himself was questioned by the House of Representatives' Committee on Un-American Activities in 1956 and convicted of "contempt of Congress" for refusing to identify others present at meetings he had attended. It was first performed at the Martin Beck Theater on Broadway on January 22, 1953. Miller felt that this production was too stylized and cold and the reviews for it were largely hostile (although The New York Times noted "a powerful play in a driving performance"). Nonetheless, the production won the 1953 "Best Play" Tony Award. A year later a new production succeeded and the play became a classic. It is a central work in the canon of American drama. Fuji Books' edition of "The Crucible" contains supplementary texts: \* "Tragedy And The Common Man", an essay by Arthur Miller. \* Excerpts from Nathaniel Hawthorne's magnum opus "The Scarlet Letter", a narrative of the Salem Witch trials. \* A few selected quotes of Arthur Miller.
