Formalism and Marxism Tony Bennett 2004-03-01 Russian Formalism and Marxist criticism had a seismic impact on twentieth-century literary theory and the shockwaves are still felt today. First published in 1979, Tony Bennett's *Formalism and Marxism* created its own reverberations by offering a ground-breaking new interpretation of the Formalists' achievements and demanding a new way forward in Marxist criticism. The author first introduces and reviews the work of the Russian Formalists, a group of theorists who made an extraordinarily vital contribution to literary criticism in the decade following the October Revolution of 1917. Placing the work of key figures in context and addressing such issues as aesthetics, linguistics and the category of literature, literary form and function and literary evolution, Bennett argues that the Formalists' concerns provided the basis for a radically historical approach to the study of literature. Bennett then turns to the situation of Marxist criticism and sketches the risks it has run in becoming overly entangled with the concerns of traditional aesthetics. He forcefully argues that through a serious and sympathetic reassessment of the Formalists and their historical approach, Marxist critics might find their way back on to the terrain of politics, where they and their work belong. Addressing such crucial questions as 'What is literature?' or 'How should it be studied and to what end?', *Formalism and Marxism* explores ideas which should be considered by any student or reader of literature and provides a particular challenge to those interested in Marxist criticism. Now with a new afterword, this classic text still offers the best available starting point for those new to the field, as well as representing a crucial intervention in twentieth-century literary theory.

Sea Prayer Khaled Hosseini 2018-08-30 A Sunday Times and New York Times bestseller A deeply moving, gorgeously illustrated short story for people of all ages from the international bestselling author of *The Kite Runner*, brought to life by Dan Williams's beautiful illustrations 'The book may be brief, but it is beautiful, poetic – a distillation of his strengths' Sunday Times On a moonlit beach a father cradles his sleeping son as they wait for dawn to break and a boat to arrive. He speaks to his boy of the long summers of his childhood, recalling his grandfather's house in Syria, the stirring of olive trees in the breeze, the bleating of his grandmother's goat, the clanking of her cooking pots. And he remembers, too, the bustling city of Homs with its crowded lanes, its mosque and grand souk, in the days before the sky spat bombs and they had to flee. When the sun rises they and those around them will gather their possessions and embark on a perilous sea journey in search of a new home.

The White Tiger Aravind Adiga 2008-04-22 SOON TO BE A MAJOR MOTION PICTURE The stunning Booker Prize-winning novel from the author of *Amnesty* and *Selection Day* that critics have likened to Richard Wright's *Native Son*, *The White Tiger* follows a darkly comic Bangalore driver through the poverty and corruption of modern India's caste society. "This is the authentic voice of the Third World, like you've never heard it before" (John Burdett, Bangkok 8). The white tiger of this novel is Balram Halwai, a poor Indian villager whose great ambition leads him to the zenith of Indian business culture, the world of the Bangalore entrepreneur. On the occasion of the president of China's impending trip to Bangalore, Balram writes a letter to him describing his transformation and his experience as driver and servant to a wealthy Indian family, which he thinks exemplifies the contradictions and complications of Indian society. Recalling *The Death of Vishnu* and Bangkok 8 in ambition, scope, *The White Tiger* is narrative genius with a mischief and personality all its own. Amoral, irreverent, deeply endearing, and utterly contemporary, this novel is an international publishing sensation—and a startling, provocative debut.

Media Discourse Norman Fairclough 1995-09-17 The study of media language is increasingly important both for media studies and for discourse analysis and sociolinguistics. In *Media Discourse*, Norman Fairclough applies the "critical discourse analysis" framework he developed in *Language and Power* and *Discourse and Social Life* to media language. Drawing on examples from TV, radio, and newspapers, he focuses on changing practices of media discourse in relation to wider processes of social and cultural change, particularly the tensions between public and private in the media and the tensions between information and entertainment.

In Country Bobbie Ann Mason 2005-08-02 In the summer of 1984, the war in Vietnam came home to Sam Hughes, whose father was killed there before she was born. The soldier-boy in the picture never changed. In a way that made him dependable. But he seemed so innocent. "Astronauts have been to the moon," she blurted out to the picture. "You missed Watergate. I was in the second grade." She stared at the picture, squinting her eyes, as if she expected it to come to life. But Dwayne had died with his secrets. Emmett was walking around with his. Anyone who survived Vietnam seemed to regard it as something personal and embarrassing. Granddad had said they were embarrassed that they were still alive. "I guess you're not embarrassed," she said to the picture. This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.

Male Rape is a Feminist Issue C. Cohen 2014-02-13 This book seeks to problematize knowledge and practices regarding 'male rape' and its relationship to feminism, examining this issue from a Foucauldian perspective. Feminist constructions of 'male rape' can plausibly be claimed to operate as a 'regime of truth', but one must question whether this is running counter to patriarchy.

Maldoror & the Complete Works of the Comte de Lautreamont comte de Lautréamont 1994 Andre Breton wrote that MALDOROR is "" the expression of a revelation so complete it seems to exceed human potential." First published in 1869, MALDOROR is the work of a mysterious genius about whom little is known aside from his birth in Uruguay, 1846, and his early death in Paris, 1870. His writings, published under the pseudonym Comte de Lautreamont, bewildered his contemporaries but have since taken their place alongside other French classics of transgression such as Sade, Baudelaire, Rimbaud. A unique translation.

Re-Orientalism and South Asian Identity Politics Lisa Lau 2012-05-23 Orientalism refers to the imitation of aspects of Eastern cultures in the West, and was devised in order to have authority over the Orient. The concept of Re-Orientalism maintains the divide between the Orient and the West. However, where Orientalism is based on how the West constructs the East, Re-Orientalism is grounded on how the cultural East comes to terms with an orientalised East. This book explores various new forms, objects and modes of circulation that sustain this renovated form of Orientalism in South Asian culture. The contributors identify and engage with recent debates about postcolonial South Asian identity politics, discussing a range of different texts and films such as *The White Tiger*, *Bride & Prejudice* and *Kama Sutra: A Tale of Love*. Providing new theoretical insights from the areas of literature, film studies and cultural and discourse analysis, this book is an stimulating read for students and scholars interested in South Asian culture, postcolonial studies and identity politics.

York Times The moving lifetime relationship between a father and a daughter, seen through the prism of global immigration and the contemporary refugee experience. An Iranian girl escapes to America as a child, but her father stays behind. Over twenty years, as she transforms from confused immigrant to overachieving Westerner to sophisticated European transplant, daughter and father know each other only from their visits: four crucial visits over two decades, each in a different international city. The longer they are apart, the more their lives diverge, but also the more each comes to need the other's wisdom and, ultimately, rescue. Meanwhile, refugees of all nationalities are flowing into Europe under troubling conditions. Wanting to help, but also looking for a lost sense of home, our grown-up transplant finds herself quickly entranced by a world that is at once everything she has missed and nothing that she has ever known. Will her immersion in the lives of these new refugees allow her the grace to save her father? Refuge charts the deeply moving lifetime relationship between a father and a daughter, seen through the prism of global immigration. Beautifully written, full of insight, charm, and humor, the novel subtly exposes the parts of ourselves that get left behind in the wake of diaspora and ultimately asks: Must home always be a physical place, or can we find it in another person?

The Kite Runner Khaled Hosseini 2017-03-01 I became what I am today at the age of twelve. I remember the precise moment, crouching behind a mud wall on a frigid winter day in 1975 . . . looking into a deserted alley. It's wrong what they say about the past, about how you can bury it, because the past claws its way out. I realize I've been looking into that alley for the last 26 years. Afghanistan is a divided country on the verge of war and two childhood friends are about to be torn apart. It's a beautiful afternoon in Kabul and the skies are full of the excitement and joy of a kite flying tournament. But neither Hassan or Amir can foresee the terrible incident which will shatter their lives forever. Khaled Hosseini's first and international best-selling novel has now been adapted into a stunning stage adaptation by Matthew Spangler. This edition was published for the production at Wyndham's Theatre, London, from 21 December 2016.

Rite of Passage Richard Wright 1995-12-19 "Johnny, you're leaving us tonight . . ." Fifteen-year-old Johnny Gibbs does, well in school, respects his teachers, and loves his family. Then suddenly, with a few short words, his idyllic life is shattered. He learns that the family he has loved all his life is not his own, but a foster family. And now he is being sent to live with someone else. Shocked by the news, Johnny does the only thing he can think of: he runs. Leaving his childhood behind forever, Johnny takes to the streets where he learns about living life--the hard way. Richard Wright, internationally acclaimed author of Black Boy and Native Son, gives us a coming-of-age story as compelling today as when it was first written, over fifty years ago. 'Johnny Gibbs arrives home jubilantly one day with his straight 'A' report card to find his belongings packed and his mother and sister distraught. Devastated when they tell him that he is not their blood relative and that he is being sent to a new foster home, he runs away. His secure world quickly shatters into a nightmare of subways, dark alleys, theft and street warfare. . . . Striking characters, vivid dialogue, dramatic descriptions, and enduring themes introduce a new generation of readers to Wright's powerful voice.'—SLJ. Reading Khaled Hosseini Rebecca Stuhr 2009 Making Culture, Changing Society proposes a challenging new account of the relations between culture and society focused on how particular forms of cultural knowledge and expertise work on, order and transform society. Examining these forms of culture's action on the social as aspects of a historically distinctive ensemble of cultural institutions, it considers the diverse ways in which culture has been produced and mobilised as a resource for governing populations. These concerns are illustrated in detailed case studies of how anthropological conceptions of the relations between race and culture have shaped and been shaped by the relationships between museums, fieldwork and governmental programmes in early twentieth-century France and Australia. These are complemented by a closely argued account of the relations between aesthetics and governance that, in contrast to conventional approaches, interprets the historical emergence of the autonomy of the aesthetic as vastly expanding the range of art's social uses. In pursuing these concerns, particular attention is given to the role that the cultural disciplines have played in making up and distributing the freedoms through which modern forms of liberal government operate. An examination of the place that has been accorded habit as a route into the regulation of conduct within liberal social, cultural and political thought brings these questions into sharp focus. The book will be of interest to students and scholars of sociology, cultural studies, media studies, anthropology, museum and heritage studies, history, art history and cultural policy studies.
