FutureDJs: How to DJ Tom Dent 2020-02-17

Strategy Beyond the Hockey Stick Chris Bradley 2018-02-06 Beat the odds with a bold strategy from McKinsey & Company “Every once in a while, a genuinely fresh approach to business strategy appears” – legendary business professor Richard Rumelt, UCLA McKinsey & Company’s newest, most definitive, and most irreverent book on strategy—which thousands of executives are already using—is a must-read for all C-suite executives looking to create winning corporate strategies. Strategy Beyond the Hockey Stick is spearheading an empirical revolution in the field of strategy. Based on an extensive analysis of the key factors that drove the long-term performance of thousands of global companies, the book offers a ground-breaking formula that enables you to objectively assess your strategy’s real odds of future success. “This book is fundamental. The principles laid out here, with compelling data, are a great way around the social pitfalls in strategy development.” — Frans Van Houten, CEO, Royal Philips N.V. The authors have discovered that over a 10-year period, just 1 in 12 companies manage to jump from the middle tier of corporate performance—where 60% of companies reside, making very little economic profit—to the top quintile where 90% of global economic profit is made. This movement does not happen by magic—it depends on your company’s current position, the trends it faces, and the big moves you make to give it the strongest chance of vaulting over the competition. This is not another strategy framework. Rather, Strategy Beyond the Hockey Stick shows, through empirical analysis and the experiences of dozens of companies that have successfully made multiple big moves, that to dramatically improve performance, you have to overcome incrementalism and corporate inertia. “A different kind of book—I couldn’t put it down. Inspiring new insights on the facts of what it takes to move a company’s performance, combined with practical advice on how to deal with real-life dynamics in management teams.” —Jane Fraser, CEO, Citigroup Latin America

Awaken the Giant Within Anthony Robbins 2013 Shows readers how to clarify their personal values, resolve internal conflicts, master emotions, and overcome debilitating habits.

Love Saves the Day Tim Lawrence 2004-01-12 Opening with David Mancuso’s seminal “Love Saves the Day” Valentine’s party, Tim Lawrence tells the definitive story of American dance music culture in the 1970s—from its subterranean roots in NoHo and Hell’s Kitchen to its gaudy blossoming in midtown Manhattan to its wildfire transmission through America’s suburbs and urban hotspots such as Chicago, Boston, San Francisco, Los Angeles, Newark, and Miami. Tales of nocturnal journeys, radical music making, and polymorphous sexuality flow through the arteries of Love Saves the Day like hot liquid vinyl. They are interspersed with a detailed examination of the era’s most powerful djs, the venues in which they played, and the records they loved to spin—as well as the labels, musicians, vocalists, producers, remixers, party promoters, journalists, and dance crowds that fueled dance music’s tireless engine. Love Saves the Day includes material from over three hundred original interviews with the scene’s most influential players, including David Mancuso, Nicky Siano, Tom Moulton, Loleatta Holloway, Giorgio Moroder, Francis Grasso, Frankie Knuckles, and Earl Young. It incorporates more than twenty special dj discographies—listing the favorite records of the most important spinners of the disco

decade—and a more general discography cataloging some six hundred releases. Love Saves the Day also contains a unique collection of more than seventy rare photos.

Tap Dancing America Constance Valis Hill 2014-11-12 The first comprehensive, fully documented history of a uniquely American art form, exploring all aspects of the intricate musical and social exchange that evolved from Afro-Irish percussive step dances like the jig, gioube, buck-and-wing, and juba to the work of such contemporary tap luminaries as Gregory Hines, Brenda Bufalino, Dianne Walker, and Savion Glover.

Adaptive Leadership: The Heifetz Collection (3 Items) Ronald A. Heifetz 2014-09-23 In times of constant change, adaptive leadership is critical. This Harvard Business Review collection brings together the seminal ideas on how to adapt and thrive in challenging environments, from leading thinkers on the topic—most notably Ronald A. Heifetz of the Harvard Kennedy School and Cambridge Leadership Associates. The Heifetz Collection includes two classic books: *Leadership on the Line*, by Ron Heifetz and Marty Linsky, and *The Practice of Adaptive Leadership*, by Heifetz, Linsky, and Alexander Grashow. Also included is the popular Harvard Business Review article, “Leadership in a (Permanent) Crisis,” written by all three authors. Available together for the first time, this collection includes full digital editions of each work. Adaptive leadership is a practical framework for dealing with today’s mix of urgency, high stakes, and uncertainty. It has been used by individuals, organizations, businesses, and governments worldwide. In a world of challenging environments, adaptive leadership serves as a guide to distinguishing the essential from the expendable, beginning the meaningful process of adaptation, and changing the status quo. Ronald A. Heifetz is a cofounder of the international leadership and consulting practice Cambridge Leadership Associates (CLA) and the founding director of the Center for Public Leadership at the Harvard Kennedy School. He is renowned worldwide for his innovative work on the practice and teaching of leadership. Marty Linsky is a cofounder of CLA and has taught at the Kennedy School for more than twenty-five years. Alexander Grashow is a Senior Advisor to CLA, having previously held the position of CEO.

Vintage & Rarities Eilon Paz 2020-11-15 Initially created to add new colors and flavors to the sound of the electric guitar, effects pedals are so much more than just mere tools of the trade. Many stompboxes have become collectible, valuable, highly-fetishized objets d'art, often prized as much for their looks, quirks and history as for their basic sonic properties. Photographer Eilon Paz and writer/editor Dan Epstein—the creative team behind *Stompbox: 100 Pedals of the World's Greatest Guitarists*—have scoured the globe in search of some of the rarest, weirdest and most iconic stompboxes in existence, and *Vintage & Rarities: 333 Cool, Crazy and Hard to Find Guitar Pedals* is the eye-popping result. From primitive fuzzboxes and one-off prototypes to whimsical boutique creations and elaborate multi-effects units, *Vintage & Rarities* presents these incredible pedals in lustrous, exquisitely-detailed photographs, along with informative captions about their origins, construction and use. *Vintage & Rarities* also features profiles of 25 pedal collectors from the USA, England, France, Belgium, Portugal, Russia and Japan—including legendary musicians Adrian Belew, Henry Kaiser and David Torn, Beastie Boys producer Mario Caldato Jr., and celebrated pedal builders Oliver Ackermann (Death By Audio), Mike Piera (Analog Man) and Josh Scott (JHS)—all of whom share their personal tales of stompbox addiction, while offering additional insight into these fascinating devices. *Vintage & Rarities* will amaze, amuse and delight anyone who digs cool stompboxes—many pedals here have never been seen before, even by the most hardcore collectors—and it may even inspire an obsessive search for some vintage treasures of your own!

Bruce Springsteen: Songs Bruce Springsteen 2001-01-01 Commemorating Bruce Springsteen's twenty-five years as a recording artist, here is a panoramic view of his career in a form never seen before. This is the complete collection of Bruce Springsteen's recorded lyrics, illustrated with hundreds of never-before-published images from some of rock & roll journalism's greatest photographers, including Annie Leibovitz, David Gahr, Lynn Goldsmith, Bruce Weber, and many others. From Jim Marchese's informal backstage shots during the European leg of the 1980 *The River* tour to Neal Preston's amazing documentation of the *Born in the U.S.A.* days to Pam Springsteen's portraits showing a side of the musician rarely seen by the public, this is the most intimate look at Bruce Springsteen ever published. The photos and lyrics are accompanied by original commentary by Springsteen, in which he reflects on the songs, the performances, and the quarter-century career that for many defines the American dream. In words and in pictures, here is the one book no Bruce Springsteen fan can afford to be without.

How to Be a DJ Trevor Thomas 2019-04-13 Becoming a DJ Is Easier Than Ever! Be your own boss? Make hundreds of \$\$\$ for just a few hours of your time? Get into a fun, fulfilling job that is always in constant demand? Then it's time you learn how to become a DJ! In *How to Be a DJ* Trevor Thomas takes your hand and guides you through the entire process of becoming a professional, highly sought after DJ. He starts out with the exact equipment and software needed to get off the ground. From there, he teaches you multiple ways to obtain shows, including one completely free method which many DJ's have no idea exists! After that, Trevor goes over how to accept payments, and the proper way to DJ the day of the event. Everything from A-Z is included in this book on how to become a DJ! Trevor even gives you his e-mail address if you have any questions after you get started. As a FREE bonus, only for book buyers, you will receive two special templates to help you get started. These include Trevor's "worksheet template" and "invoice template". The worksheet template is used to get a feel of what the customer is looking for at their event. It includes

music choices, announcement requests, and any additional comments your customer may have for you. The invoice template is used right after a customer books you for a show, in which case you can lock in the gig and accept payment. Both of these templates are not available to the general public, or anywhere else. They exist solely as a "thank you" to buyers of this book! If you ever wanted to become a DJ, now is your chance! Click the Buy Now button at the top of this page, and start your lucrative career as a professional DJ today!

Life and Death on the New York Dance Floor, 1980–1983 Tim Lawrence 2016-09-09 As the 1970s gave way to the 80s, New York's party scene entered a ferociously inventive period characterized by its creativity, intensity, and hybridity. Life and Death on the New York Dance Floor chronicles this tumultuous time, charting the sonic and social eruptions that took place in the city's subterranean party venues as well as the way they cultivated breakthrough movements in art, performance, video, and film. Interviewing DJs, party hosts, producers, musicians, artists, and dancers, Tim Lawrence illustrates how the relatively discrete post-disco, post-punk, and hip hop scenes became marked by their level of plurality, interaction, and convergence. He also explains how the shifting urban landscape of New York supported the cultural renaissance before gentrification, Reaganomics, corporate intrusion, and the spread of AIDS brought this gritty and protean time and place in American culture to a troubled denouement.

Adding the Blue Chrissie Hynde 2018-11 "In 2015, Chrissie Hynde, the singer, songwriter and leader of The Pretenders, produced an oil painting of a ceramic vase. It proved to be the starting point for Chrissie Hynde's first body of work, nearly 200 canvases in all. These paintings are now shared for the very first time in Adding The Blue."--Back cover.

On Record Simon Frith 2006-05-23 Classic sociological analyses of 'deviance' and rebellion; studies of technology; subcultural and feminist readings, semiotic and musicological essays and close readings of stars, bands and the fans themselves by Adorno, Barthes and other well-known contributors

Watching the English Kate Fox 2005-04-11 In "Watching The English" anthropologist Kate Fox takes a revealing look at the quirks, habits and foibles of the English people. She puts the English national character under her anthropological microscope, and finds a strange and fascinating culture, governed by complex sets of unspoken rules and byzantine codes of behaviour. The rules of weather-speak. The ironic-gnome rule. The reflex apology rule. The paranoid-pantomime rule. Class indicators and class anxiety tests. The money-talk taboo and many more ...Through a mixture of anthropological analysis and her own unorthodox experiments (using herself as a reluctant guinea-pig), Kate Fox discovers what these unwritten behaviour codes tell us about Englishness.

Dirty Rocker Boys Bobbie Brown 2014-09-16 An uncensored Hollywood tell-all filled with explicit tales of love, sex, and revenge from the video vixen made famous by Warrant's rock anthem "Cherry Pie." Who could forget the sexy "Cherry Pie" girl from hair metal band Warrant's infamous music video? Bobbie Brown became a bona fide vixen for her playful role as the object of lead singer Jani Lane's desires. But the wide-eyed Louisiana beauty queen's own dreams of making it big in Los Angeles were about to be derailed by her rock-and-roll lifestyle. After her tumultuous marriage to Jani imploded, and her engagement to fast-living Mötley Crüe drummer Tommy Lee ended in a drug haze—followed by his marriage later to Pamela Anderson—Bobbie decided it was time Hollywood's hottest bachelors got a taste of their own medicine. Step one: get high. Step two: get even. In a captivating, completely uncensored confessional, Bobbie explicitly recounts a life among some of the most famous men in Hollywood: Leonardo DiCaprio, Kevin Costner, Mark McGrath, Dave Navarro, Sebastian Bach, Ashley Hamilton, Rob Pilatus of Milli Vanilli, Matthew and Gunnar Nelson, Orgy's Jay Gordon, and many more. No man was off limits as the fun-loving bombshell spiraled into excess, anger, and addiction. Bobbie survived the party—barely—and her riveting, cautionary comeback tale is filled with the wildest stories of sex, drugs, and rock and roll ever told.

DJ Entertainment School Training Manual Elizabeth Curran 2019-01-05 Since the 1970s, mobile disc jockey entertainment has become one of the fastest growing, most exciting businesses in the party service industry. From its humble beginnings during the disco era when a mobile disc jockey would set up his home stereo at a dance hall and spin records to today's disc jockeys services which offer a wide array of packages, add-ons, and presentations, the industry has expanded in ways that were unimaginable just a few years ago. Today's disc jockey entertainer uses sophisticated equipment to deliver clear, crisp, High Definition sound, engage and entertain guests with an array of participation dances or activities while incorporating the use of props and lighting to make each performance memorable and exciting. Whether it's choosing the right music, making announcements, or motivating the guests to join in on a dance or activity, you, as the mobile disc jockey will make this all come together and provide the level of entertainment today's party hosts demand. To get to that point takes a lot of know-how and practice. This course will take care of the "know-how" by giving you the foundation you'll need to become a great mobile disc jockey entertainer. The rest is up to you. Enjoy and good luck!

Double Image David R. Morrell 2001-05-01 After a harrowing experience in Bosnia, war photographer Mitch Coltrane makes a vow. From now on, he will only take those pictures that celebrate life; that document hope instead of despair. Still, wartorn images continue to haunt him. He learns to shield himself by fixating on a beautiful woman in an old photograph. But slowly he grows obsessed. Who is she? He must know. And as Coltrane searches for answers, he falls hopelessly in love, forgetting

that the past can sometimes intrude on the present, with terrifying consequences.

I Don't Take Requests Tony Marnoch 2022-05-26 'The perfect beach read' THE SUNDAY TIMES 'I love this man so much. He was, and always will be, my knight in shining Westwood.' DAVINA MCCALL 'This is a story that should never have been told' KATE MOSS 'If you want to change your life but can't.. I strongly advise you read this book' TRACEY EMIN As one of club culture's most notorious - and best loved - figures, Tony is a complete force of nature. Here he tells the most extraordinary stories of depravity and hedonism, of week-long benders and extreme self-destruction - and of recovery, redemption, friendship and the joy of a good tune.

'Anyone can get a party started, but no one keeps it going like Fat Tony, the energy never dips and what a life he's lived.. He's a tosser but we still love him.' ELTON JOHN & DAVID FURNISH

DJ Fat Tony has been described as 'the closest thing that club culture has to a national treasure' and the 'unlikely cult hero of quarantine'. Few people have crammed so many lives into one: when your first line of cocaine is aged 16 with Freddie Mercury, where do you go from there? I Don't Take Requests is Fat Tony's breathtakingly candid and outrageous memoir of a life of extremes. From his childhood on an estate in Battersea where he honed his petty criminality, was abused by an older man and made friends with Boy George, to his teenage years spent parading the Kings Road in his latest (stolen) clobber, working as a receptionist for a prostitute, hanging out with Leigh Bowery and Sue Tilley and creating his drag persona, to his life as DJ to the stars and his spiral into serious drug addiction. Now, he is 16 years sober and, alongside working to help others overcome addiction, DJing for everyone from Elton John to Louis Vuitton and the Beckhams - and running one of lockdown's most popular Instagram accounts with its wickedly funny memes. It is all here in horrifying, glorious, heart-breaking detail.

'Whenever we host a party, Tony is our first port of call. He'll have everyone dancing, guarantee great memories, and the stories he tells... Just don't f*****g ask for any requests!' DAVID & VICTORIA BECKHAM 'There is nobody in London, let alone the world who has lived a more extraordinary life... his journey from villain to real life hero is one of the most beautiful examples of humanity I have ever witnessed. I wouldn't be without this c*nt.' KELLY OSBOURNE 'Hearing Tony's story is brutal and shocking. He is nothing short of a miracle and his willingness to be of service to others seeking sobriety is testament to how far he has come from the days of pulling his own teeth out.' MARC JACOBS

Y Marjorie Celona 2013-09-03 "A gorgeous, moving debut...Marjorie Celona writes with acute sensitivity to how a child sees her world and renders a character readers will love in all her glorious self-doubt" (The Boston Globe). "Y. That perfect letter. The wishbone, fork in the road, empty wineglass. The question we ask over and over. Why?...My life begins at the Y." So opens Marjorie Celona's highly acclaimed, exquisite debut about a wise-beyond-her-years foster child abandoned as a newborn on the doorstep of the local YMCA. Bounced between foster homes, Shannon endures abuse and neglect until she finally finds stability with Miranda, a kind but no-nonsense single mother. Yet Shannon defines life on her own terms, refusing to settle down and continually longing to uncover her roots—especially the stubborn question of why her mother would abandon her on the day she was born. Brilliantly and hauntingly interwoven with Shannon's story is the tale of her mother, Yula, a girl herself, who is facing a desperate fate in the hours and days leading up to Shannon's birth. As past and present converge, Y tells an unforgettable story of identity, inheritance, and, ultimately, forgiveness. Celona's ravishingly beautiful novel, where "questions are not so much answered as extended" (The New York Times), offers a deeply affecting look at the choices we make and what it means to be a family.

Last Night a DJ Saved My Life Bill Brewster 2022-07-07 'Literally changed the course of my life' James Murphy 'The chapter on Larry Levan alone transformed me into wanting to be your favorite DJ' Questlove 'The original and still the best' Gilles Peterson 'We can't tell the story of dance music without speaking the names of Sharon White and Judy Weinstein, so I welcome this vital update' The Blessed Madonna When someone says, 'You have to know your history...' this is it. This classic book is the whole unruly story of dance music in one volume. It recreates the dancefloors that made history, conjuring their atmosphere with loving detail and bringing you the voices of the DJs and clubbers at their heart - from grime, garage, house, hip hop and disco, to techno, soul, reggae, rock'n'roll, and EDM. Whether musical outlaw, obsessive crate-digger or overpaid superstar, the DJ has been at the spinning centre of nightlife for a century, making parties wilder, pushing clubbers harder, and driving music into completely new shapes and styles. In 1999 this was the first book to do justice to the DJ's rollercoaster ride. Twenty years later, it's fully refreshed, carefully updated and filled with even more stories, including two brand new chapters. This edition comes with a new foreword by James Murphy (LCD Soundsystem). The Secret DJ The Secret DJ 2020-12 Through four decades at the pointy end of dance music and club culture, the Secret DJ has seen it all. In this hilarious, gripping, and at times extremely moving follow-up to the smash-hit first book, the mysterious insider pulls no punches, wryly lifting the lid on misbehaving stars, what really goes on backstage, how to survive in the DJ game, and where the real power lies in rave. Most of all, they chart how capitalism bought and sold the utopian dreams of the

Acid House generation - and whether those dreams can still be saved. Essential reading for anyone who cares about the dancefloor; past, present and future.

That's the Joint! Murray Forman 2004 Spanning 25 years of serious writing on hip-hop by noted scholars and mainstream journalists, this comprehensive anthology includes observations and critiques on groundbreaking hip-hop recordings.

The Complete Book of Intelligence Tests Philip Carter 2009-10-06 Enjoyable mental exercises to help boost performance on IQ tests This engaging book offers readers the ultimate in calisthenics for the brain. Using the same fun, informative, and accessible style that have made his previous books so popular, Philip Carter helps people identify mental strengths and weaknesses, and provides methods for improving memory, boosting creativity, and tuning in to emotional intelligence. Featuring never-before-published tests designed specifically for this book, plus answers for all questions, this latest treasure trove from a MENSA puzzle editor outlines a fun, challenging program for significantly enhancing performance in all areas of intelligence.

Stompbox Eilon Paz 2021-12-21 A deluxe photographic celebration of the unsung hero of guitar music—the effects pedal—featuring interviews with 100 musicians including Peter Dinklage, Joe Perry, Jack White, and Courtney Barnett. Ever since the Sixties, fuzz boxes, wah-wahs, phase shifters, and a vast range of guitar effects pedals have shaped the sound of music as we know it. Stompbox: 100 Pedals of the World's Greatest Guitarists is a photographic showcase of the actual effects pedals owned and used by Jimi Hendrix, Stevie Ray Vaughan, Frank Zappa, Alex Lifeson, Andy Summers, Eric Johnson, Adrian Belew, Joe Satriani, Steve Vai, Ed O'Brien, J Mascis, Lita Ford, Joe Perry, Thurston Moore, Lee Ranaldo, Vernon Reid, Kaki King, Nels Cline and 82 other iconic and celebrated guitarists. These exquisitely textured fine-art photographs are matched with fresh, insightful commentary and colorful road stories from the artists themselves, who describe how these fascinating and often devilish devices shaped their sounds and songs.

The Total Money Makeover Dave Ramsey 2009-12-29 A strategy for changing attitudes about personal finances covers such topics as getting out of debt, the dangers of cash advances and keeping spending within income limits.

Hal Leonard DJ Method D. J. Bizzon 2020-12 (DJ Instruction). The Hal Leonard DJ Method is designed for anyone interested in learning how to successfully host recorded music for an audience at events, parties, clubs and beyond. This easy-to-use beginner's guide serves as an introduction to the gear, skills and music-knowledge required of today's DJ. It features many photos and diagrams, plus nearly two hours of video lessons with full demonstrations by author DJ Bizzon! Topics covered include: DJ equipment and setup * using turntables * using CDJs * using DJ controllers with Serato DJ * identifying song attributes * tempo and BPM * counting bars * scratching techniques * mastering song transitions * building a set * and more.

Roll Me Up and Smoke Me When I Die Willie Nelson 2012-11-13 In Roll Me Up and Smoke Me When I Die, Willie Nelson muses about his greatest influences and the things that are most important to him, and celebrates the family, friends, and colleagues who have blessed his remarkable journey. Willie riffs on everything, from music to poker, Texas to Nashville, and more. He shares the outlaw wisdom he has acquired over the course of eight decades, along with favorite jokes and insights from family, bandmates, and close friends. Rare family pictures, beautiful artwork created by his son, Micah Nelson, and lyrics to classic songs punctuate these charming and poignant memories. A road journal written in Willie Nelson's inimitable, homespun voice and a fitting tribute to America's greatest traveling bard, Roll Me Up and Smoke Me When I Die—introduced by another favorite son of Texas, Kinky Friedman—is a deeply personal look into the heart and soul of a unique man and one of the greatest artists of our time, a songwriter and performer whose legacy will endure for generations to come.

Structural Engineer's Pocket Book Fiona Cobb 2004 Until now there has been no comprehensive pocket reference guide for professional and student structural engineers. The Structural Engineers Pocket Book is a unique compilation of all tables, data, facts, formulae and rules of thumb needed for scheme design by structural engineers in the office, in transit or on site. By bringing together data from many sources, this pocket book is a compact source of job-simplifying information at an affordable price. It is a first point of reference as well as saving valuable time spent trying to track down information that is needed on a daily basis. This may be a small book in terms of its physical dimensions, but it contains a wealth of useful engineering knowledge. Concise and precise, the book is split into 13 sections, with quick and clear access to subject areas including: timber, masonry, concrete, aluminium and glass. British Standards are used and referenced throughout. *the only book of its kind for structural engineers. *brings together information from many different sources for the first time. *comprehensive, yet concise and affordable.

How to DJ Right Frank Broughton 2007-12-01 A "lucid, comprehensive guide" to becoming a club DJ "from beat matching to promotion to not going deaf" by the authors of Last Night a DJ Saved My Life (Rolling Stone). Bill Brewster and Frank Broughton wrote the definitive history of the DJ in Last Night a DJ Saved My Life. Now they share their extensive knowledge of the creative and technical aspects of DJing in this clear, accessible, entertaining guide for all aspiring jocks. How to DJ Right covers every aspect of DJing from establishing a music collection and a distinctive sound, to elementary record-spinning, to the complex skills of scratching, hot-mixing, and beat-juggling, as well as the unique art of creating an evening of sound that is perfectly timed, balanced, and unforgettable. Diagrams throughout make phrases, beat

timing, and song structure comprehensible without a background in music theory. The authors also include recommendation lists on everything from the best (and most fun) songs to practice with, to the best sources for building a library of disks, CDs, and MP3s. For those who want to turn pro, the authors give sage advice on the vagaries of the club and music business. Enlivened by short quotes, anecdotes, and photos of famous DJs such as Grandmaster Flash and Derrick Carter, *How to DJ* is the definitive book for anyone who has ever considered becoming a DJ.

From Ibiza to the Norfolk Broads The Secret DJ 2018-05-03 The glamour, the parties, the excess, the highs: and, of course, the lows. The life of an international DJ playing at the most exotic destinations worldwide, in the most precarious of psychic circumstances, is rich to the point of toxicity. A globally-known DJ choosing to keep his identity secret takes us on a journey into the heart of life lived in the hedonistic fast lane of club culture for 30 years. Whether playing to 10,000 fans in Ibiza or in a local pub function room, this is a cautionary tale for the rave generation whose days of pills, thrills, and bellyaches are behind them. It may, as well, contain advice: though we cannot advise that it is always followed. This book is not an instruction manual - more a cautionary tale that may illuminate anyone who has harboured ambition to pack a dancefloor...

The Dancing Floor John Buchan 2022-01-01 A Scottish barrister gets entangled in a web of deadly superstition and danger on a small Greek island in this novel by the author of *The Thirty-Nine Steps*. Though Sir Edward Leithen is not one to take superstition seriously, he is sympathetic to his friend Vernon Milburne, who has been plagued by a recurring nightmare since childhood. Now, as the two men embark on an Aegean cruise, the dream's disturbing portents seem to be coming true in ways neither man could have imagined. In Plakos, Greece, Englishwoman Koré Arabin is in grave danger. The islanders believe her to be a witch, and it is up to Edward and Vernon to save her. But the more they learn of Koré's family history, the closer they come to uncovering the evil that lurks in her island home. First published in 1926, *The Dancing Floor* continues the saga of Sir Edward Leithen, John Buchan's popular character featured in *The Power-House* and *John Macnab*. Here, Buchan explores themes of fallacy and reason, paganism and Christianity.

The Creative Habit Twyla Tharp 2009-03-24 One of the world's leading creative artists, choreographers, and creator of the smash-hit Broadway show, *Movin' Out*, shares her secrets for developing and honing your creative talents—at once prescriptive and inspirational, a book to stand alongside *The Artist's Way* and *Bird by Bird*. All it takes to make creativity a part of your life is the willingness to make it a habit. It is the product of preparation and effort, and is within reach of everyone. Whether you are a painter, musician, businessperson, or simply an individual yearning to put your creativity to use, *The Creative Habit* provides you with thirty-two practical exercises based on the lessons Twyla Tharp has learned in her remarkable thirty-five-year career. In "Where's Your Pencil?" Tharp reminds you to observe the world -- and get it down on paper. In "Coins and Chaos," she gives you an easy way to restore order and peace. In "Do a Verb," she turns your mind and body into coworkers. In "Build a Bridge to the Next Day," she shows you how to clean the clutter from your mind overnight. Tharp leads you through the painful first steps of scratching for ideas, finding the spine of your work, and getting out of ruts and into productive grooves. The wide-open realm of possibilities can be energizing, and Twyla Tharp explains how to take a deep breath and begin...

How to Be a DJ in 10 Easy Lessons DJ Booma 2017-10-24 "Think you have what it takes to be a superstar DJ? Now is your chance to learn with this simple guide to DJing. Learn the ins and outs of mixing, scratching, and blending and prepare to play in front of a live audience! With easy-to-follow instructions, colorful graphics, and helpful tips from an experienced professional DJ, this handy book breaks down everything you need to know into 10 simple lessons. Covering everything from equipment and software, to basic music theory and tips on performance, this is the perfect introduction to music mixing for aspiring DJs."--Publisher's website.

How to DJ (properly) Frank Broughton 2006 Playing records isn't rocket science, but there's a universe of difference between doing it and doing it well. This guide offers advice for anyone interested, from the complete novice to more experienced DJs, including tips on equipment, records, mixing, making your own tracks and throwing parties.

DJing For Dummies John Steventon 2014-10-27

The Creative Formula Holly Shaw 2016-05-16 *The Creative Formula* has helped thousands of artists go from wild inspiration to polished work using a proven-effective three step method. Promote yourself effectively, for more and better paid bookings

Ludovico Einaudi: Nightbook Ludovico Einaudi 2009-10-15 Italian-born Ludovico Einaudi's Piano music has struck a chord with audiences across the world, and his distinctive meditative style has confirmed his place in the music industry. His albums have soared high in the classical charts and his recitals have been sell-outs. This is Ludovico Einaudi's new project, Nightbook - a musical meditation on the transition between light and darkness, the known and the unknown. Expressive and with a more open compositional structure, sonic colours are created through the close blending of the Piano with the Strings and percussion and from the use of electronics which amplifies the sound of the Piano, projecting it like a shadow in all directions. The project grew out of the ideas and "musical sketches" that Einaudi jotted down in a notebook whilst on tour around the world. Einaudi describes the project as A night-time landscape. A garden faintly visible under the dull glow of the night sky. A few stars dotting the darkness above, shadows of the trees all around. Light shining from a window behind me. What I can see is familiar, but it seems alien at the same time. It's like a dream - anything may happen. Selections of expressive and contemplative songs from the album have all been specially transcribed for solo Piano.

Music Habits - The Mental Game of Electronic Music Production Jason Timothy 2020-07-18 Music Production can be an elusive art form for many, and the challenges that face someone who is new to this can easily create overwhelm and lead to complete paralysis. The goal of this book, is to cover music production from many different angles in a way that will change your thinking on the subject and build your confidence. Music making is a very mental and psychological game, and more often than not, all the technical stuff can hold you back from achieving your goals if you don't have the right creative habits in place first. With all the information available with a simple Google search, I wanted to really get to the heart of things that aren't being discussed nearly enough. I want to clear out all the garbage you may have been told and replace it with the essentials you can put to immediate use. Many people new to music may dive into forums and mindlessly watch video tutorials attempting to gather more and more information until they think they have enough to get going (hint: you never feel like you know enough). That would be like reading a whole encyclopedia and then being asked to recall only the important things that will get you from point A to point B. Even worse, much of the information you get will contradict the last thing you read. It's like finding a needle in a haystack only to be told it's the wrong needle. There is a much better approach. It's an approach that doesn't require you to know a lot to get started. You only need to know enough to get to the next step in your process. There is truly nothing stopping you from becoming a music producer. The ones who are successful now are the ones who started from nothing and chipped away at it until they found a way to express their unique voice. There are no gatekeepers making decisions on who is worthy and who isn't. The determining factor is you, your habits and your confidence in yourself. This book can be read from start to finish, or as a "choose your own adventure", going directly to what you think can help you most right now. Don't get caught up thinking you have to devour everything before getting started. That isn't necessary, and isn't the point of the book. The core concepts in the book will come up time & time again which should help you retain them & be able to recall them when the need arrives. By exploring these concepts from several angles you should gain a broad view of their many uses. My hope is that this book is used as a toolbox. You simply find the right tool that moves you forward and get back to work. So few people, who have more than enough information in their heads, ever start. Of those who do start, even fewer finish what they started and are satisfied with the results. I want you to be in that small

group of finishers.Let's get started.
