Elicitation William Vitelli 2011-08-29 Eileen was happy to begin a new life with her new husband. And she did, though not quite in the way that she might have imagined. Her husband Anthony, seeing beneath her repressed exterior someone who wanted nothing so much as to be kidnapped and carried away by pirates, set out to train her as his new sex slave...whether she wanted it or not. What followed was an intensive introduction into a new world she could scarcely have imagined.

Kaleb Nicole Edwards 2014-05-16 Two neighbors and long-time friends come face-to-face with their forbidden fantasies in this sizzling ebook from New York Times and USA TODAY bestselling author Nicole Edwards. Zoey Stranford might've had a crush on the sexy boy next door since middle school, but she's a woman now, and that crush has turned into a full-blown case of lust. So why is it that at twenty-nine, her libido decides to ramp into high gear and the only thing she can focus on is the intensely sexy, scorching hot boy next door who is definitely not a boy anymore? The only problem is that Zoey and Kaleb have been best friends for as long as she can remember. Not to mention, Kaleb and his brothers are working on buying Stranford land to build a new resort, and she's more than a little hesitant about his intentions. Kaleb Walker has had his eye on Zoey for close to twenty years, but never before has he considered taking their friendship to the next level, no matter how many fantasies he's had about her over the years. That doesn't explain why Kaleb is hell bent on having her—in as many ways as possible. Kaleb finds himself in a precarious situation. His brothers have nominated him to pursue Zoey's father about purchasing the land needed to get their new resort off the ground. Finding out that Carl Stranford is on the brink of foreclosure and Zoey might just lose her house and the land, Kaleb now has to convince her to put aside her pride and let him help her. It doesn't take long before the flames start burning bright and hot, and the two of them burn up the nights and the days as they explore each other's forbidden fantasies. But can their friendship survive a business transaction or the new friends with benefits clause? Or will they realize that they've been overlooking something much deeper that's been right in front of them all along?

Diet for Great Sex Christine DeLozier 2020-09-18 Back Cover Hot sex. Naturally. Hot sex is understood universally. No translation needed. Hard. Wet. Eager. Carnal. It's the biological design of the human body, but that won't come naturally unless we care for it. The million-dollar question is: how do we nurture great sex? How do we ensure that our bodies experience optimal sexual function at any time, at any age? The answer lies in the very foods we eat. Great sex is certainly an experience of the mind. Within our bodies, though, it explodes when our nerves, blood vessels and hormones operate in synchrony. Modern research has shown that diet affects this trifecta of great sex. It can increase or thwart pleasure. Ancient Chinese medicine has always known this. Through diet and lifestyle, we can restore balance to yin and yang-and nurture the essences of sex. Here modern science and traditional wisdom merge, showing the pathway to great sex. When our bodies are well-nourished, desire comes naturally, pleasure comes naturally, and orgasm is effortless. With Diet for Great Sex, you'll unlock the secret to eating for sexual pleasure. We'll learn to nurture the vessels that supply blood to our sex organs, the nerves that command them, and the hormones that regulate them. In caring for our bodies this way, we unleash all that is possible from our own sensual physiology. SpY 1996-06 Smart. Funny. Fearless."It's pretty safe to say that SpY was the most influential magazine of the 1980s. It might have remade New York's cultural landscape; it definitely changed the whole tone of magazine journalism. It was cruel, brilliant, beautifully written and perfectly designed, and feared by all. There's no magazine I know of that's so continually referenced, held up as a benchmark, and whose demise is so lamented" --Dave Eggers. "It's a piece of garbage" --Donald Trump.
