Sonic Warfare Steve Goodman 2012-08-17 An exploration of the production, transmission, and mutation of affective tonality—when sound helps produce a bad vibe. Sound can be deployed to produce discomfort, express a threat, or create an ambience of fear or dread—to produce a bad vibe. Sonic weapons of this sort include the “psychoacoustic correction” aimed at Panama strongman Manuel Noriega by the U.S. Army and at the Branch Davidians in Waco by the FBI, sonic booms (or “sound bombs”) over the Gaza Strip, and high-frequency rat repellants used against teenagers in malls. At the same time, artists and musicians generate intense frequencies in the search for new aesthetic experiences and new ways of mobilizing bodies in rhythm. In Sonic Warfare, Steve Goodman explores these uses of acoustic force and how they affect populations. Traversing philosophy, science, fiction, aesthetics, and popular culture, he maps a (dis)continuum of vibrational force, encompassing police and military research into acoustic means of crowd control, the corporate deployment of sonic branding, and the intense sonic encounters of sound art and music culture. Goodman concludes with speculations on the not yet heard—the concept of unsound, which relates to both the peripheries of auditory perception and the unactualized nexus of rhythms and frequencies within audible bandwidths.

Grit Angela Duckworth 2016-05-05 UNLOCK THE KEY TO SUCCESS In this must-read for anyone seeking to succeed, pioneering psychologist Angela Duckworth takes us on an eye-opening journey to discover the true qualities that lead to outstanding achievement. Winningly personal, insightful and powerful, Grit is a book about what goes through your head when you fall down, and how that - not talent or luck - makes all the difference. 'Impressively fresh and original' Susan Cain

Department of Defense Dictionary of Military and Associated Terms United States. Joint Chiefs of Staff 1994

An academic word list Averil Coxhead 1998

Call Me by My True Names Thich Nhat Hanh 2001-08-09 "The clear, still mind of this meditation teacher gives rise to piercing images time and time again. Nhat Hanh seems an inherently skilled poet. It is these poetic works, more than his essays or lectures, that show Thich Nhat Hanh clearly to be a Zen mystic". San Francisco Chronicle, "Thich Nhat Hanh's poems have an almost uncanny power to disarm delusion, awaken compassion, and carry the mind into the immediate presence of meditation. Thich Nhat Hanh writes with the voice of the Buddha". - Sogyal Rinpoche.

The Reading Teacher's Book of Lists Jacqueline E. Kress 2015-09-28 The essential handbook for reading teachers, now aligned with the Common Core The Reading Teacher's Book of Lists is the definitive instructional resource for anyone who teaches reading or works in a K-12 English language arts-related field. Newly revised and ready for instant application, this top seller provides up-to-date reading, writing, and language content in more than 240 lists for developing targeted instruction, plus section briefs linking content to research-based teaching practices. This new sixth edition includes a guide that maps the lists to specific Common Core standards for easy lesson planning, and features fifty brand-new lists on: academic and domain-specific vocabulary, foundation skills, rhyming words, second language development, context clues, and more. This edition also includes an expanded writing section that covers registers, signal and transition words, and writers' craft. Brimming with practical examples, key words, teaching ideas, and activities that can be used as-is or adapted to students' needs, these lists are ready to differentiate instruction for an individual student, small-group, or planning multilevel instruction for your whole class. Reading is the center of all school curricula due to recent state and federal initiatives including rigorous standards and new assessments. This book allows to you skip years of curating content and dive right into the classroom armed with smart, relevant, and effective plans. Develop focused learning materials quickly and easily Create unit-specific Common Core aligned lesson plans Link classroom practice to key research in reading, language arts and learning Adapt ready-made ideas to any classroom or level It's more important than ever for students to have access to quality literacy instruction. Timely, up to date, and distinctively smart, The Reading Teacher's Book of Lists should be on every English language arts teacher's desk, librarian's shelf, literacy coach's resource list, and reading professor's radar.

SMART Spelling

Michelle Hutchison 2015-01-16 Smart Spelling has been designed to support teachers in the explicit and systematic teaching of spelling.

Fundamentals of Biostatistics Bernard Rosner 2015-07-29 Bernard Rosner's FUNDAMENTALS OF BIostatISTICS is a practical introduction to the methods, techniques, and computation of statistics with human subjects. It prepares students for their future courses and careers by introducing the statistical methods most often used in medical literature. Rosner minimizes the amount of mathematical formulation (algebra-based) while still giving complete explanations of all the important concepts. As in previous editions, a major strength of this book is that every new concept is developed systematically through completely worked out examples from current medical research problems. Most methods are illustrated with specific instructions as to implementation using software either from SAS, Stata, R, Excel or Minitab. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

PISA Take the Test Sample Questions from OECD's PISA Assessments OECD 2009-02-02 This book presents all the publicly available questions from the PISA surveys. Some of these questions were used in the PISA 2000, 2003 and 2006 surveys and others were used in developing and trying out the assessment.

The Tongue and Quill Air Force 2019-10-11 The Tongue and Quill has been a valued Air Force resource for decades and many Airmen from our Total Force of uniformed and civilian members have contributed their talents to various editions over the years. This revision is built upon the foundation of governing directives and user's inputs from the unit level all the way up to Headquarters Air Force. A small team of Total Force Airmen from the Air University, the United States Air Force Academy, Headquarters Air Education and Training Command (AETC), the Air Force Reserve Command (AFRC), Air National Guard (ANG), and Headquarters Air Force compiled inputs from the field and rebuilt The Tongue and Quill to meet the needs of today's Airmen. The team put many hours into this effort over a span of almost two years to improve the content, relevance, and organization of material throughout this handbook. As the final files go to press it is the desire of The Tongue and Quill team to say thank you to every Airman who assisted in making this edition better; you have our sincere appreciation!

The Blue Book of Grammar and Punctuation Lester Kaufman 2021-05-04 The bestselling workbook and grammar guide, revised and updated! Solving Cryptic Crosswords For Dummies Denise Sutherland 2020-03-30 Solving Cryptic Crosswords for Dummies (9780730384700) was previously published as Solving Cryptic

Crosswords for Dummies (9781118305256). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The cryptic crossword world...explained Even expert crossword-solvers struggle with cryptics. The clues can often seem nonsensical, mysterious and infuriating, but finally cracking them is immensely satisfying. Solving Cryptic Crosswords For Dummies is designed to help even the most casual crossword lover master these mental feats of gymnastics. Packed with clear explanations, helpful hints, and practice crosswords, the book explains how to approach these problems in a clear and logical manner, providing hints on identifying the different kinds of clues and tips on how to solve them. Using worked examples and clear explanations, the book guides the reader through the common and not-so-common clues that can be used to decipher even the most confusing cryptics, and includes practice puzzles to put your new skills to the test. Introduces and explains cryptic crosswords, from the (relatively) simple to the advanced Illustrates the top tips, tricks, and clues to cracking any cryptic through worked examples Covers both Commonwealth and U.S. style cryptics, and explains the subtle differences between them. Provides plenty of practice crosswords for all levels of difficulty Cryptic crosswords have emerged as one of today's most popular brainteasers, and Solving Cryptic Crosswords For Dummies is the one-stop resource for becoming a puzzle pro.

The Death and Life of Great American Cities Jane Jacobs 2016-11-17 In this classic text, Jane Jacobs set out to produce an attack on current city planning and rebuilding and to introduce new principles by which these should be governed. The result is one of the most stimulating books on cities ever written. Throughout the post-war period, planners temperamentally unsympathetic to cities have been let loose on our urban environment. Inspired by the ideals of the Garden City or Le Corbusier's Radiant City, they have dreamt up ambitious projects based on self-contained neighbourhoods, super-blocks, rigid 'scientific' plans and endless acres of grass. Yet they seldom stop to look at what actually works on the ground. The real vitality of cities, argues Jacobs, lies in their diversity, architectural variety, teeming street life and human scale. It is only when we appreciate such fundamental realities that we can hope to create cities that are safe, interesting and economically viable, as well as places that people want to live in. 'Perhaps the most influential single work in the history of town planning... Jacobs has a powerful sense of narrative, a lively wit, a talent for surprise and the ability to touch the emotions as well as the mind' New York Times Book Review

The Stupendously Spectacular Spelling Bee Deborah Abela 2016-08-01 India Wimple can spell. Brilliantly. Every Friday night, she and her family watch the Stupendously Spectacular Spelling Bee. When the Wimples suggest she enter the next Bee, India says she's not good enough - but her family won't hear it and encourage her to sign up. There are plenty of obstacles to reaching the finals: something in India's past has made her terribly shy, and moving on to each round involves finding the money to make it happen. And finally, there's Summer Millicent Ernestine Beauregard-Champion, a spoilt rich girl who is determined to win - and isn't afraid to step on anyone who gets in her way.

Staying with the Trouble Donna J. Haraway 2016-08-19 In the midst of spiraling ecological devastation, multispecies feminist theorist Donna J. Haraway offers provocative new ways to reconfigure our relations to the earth and all its inhabitants. She eschews referring to our current epoch as the Anthropocene, preferring to conceptualize it as what she calls the Chthulucene, as it more aptly and fully describes our epoch as one in which the human and nonhuman are inextricably linked in tentacular practices. The Chthulucene, Haraway explains, requires sym-poiesis, or making-with, rather than auto-poiesis, or self-making. Learning to stay with the trouble of living and dying together on a damaged earth will prove more conducive to the kind of thinking that would provide the means to building more livable futures. Theoretically and methodologically driven by the signifier SF—string figures, science fact, science fiction, speculative feminism, speculative fabulation, so far—Staying with the Trouble further cements Haraway's reputation as one of the most daring and original thinkers of our time.

Literacy Activity Book Louis Fidge 2000-05-26 This Literacy Activity Book covers a term's work and contains ten units of word, sentence and text level activities to enable you to plan lessons quickly and effectively. Self-assessment units help each child to check their progress and a list of high frequency words at the back help pupils to consolidate their learning.

Critical Thinking Gregory Bassham 2018

Long Division Kiese Laymon 2021-06 Before leaving, City is given a strange book without an author called Long Division. He learns that one of the book's main characters is also named City Coldson--but Long Division is set in 1985. This 1985-version of City, along with his friend and love interest, Shalaya Crump, discovers a way to travel into the future, and steals a laptop and cellphone from an orphaned teenage rapper called...Baize Shephard. They ultimately take these items with them all the way back to 1964, to help another time-traveler they meet to protect his family from the Ku Klux Klan.

Issues and trends in education for sustainable development Leicht, Alexander 2018-02-19

Remembering the Raspberries Laura Lee Royale 2016-01-15 Janet Robbins has the perfect life, or so she thought. She has the best job ever as a stay-at-home mom. She keeps extremely busy with her children, Sarah and Michael, chauffeuring them to school and activities, volunteering in their classrooms and school, and helping them with homework. Her children tell her she is the best mom ever. Janet runs the household without her husband Brad's help, as he is a busy school executive. She meticulously irons and coordinates his clothes and keeps him on schedule. Janet is supportive to Brad in every way imaginable with his demanding career. She slips into the world of a single parent without realizing it while she sees less and less of her husband. Her world turns upside down when Brad suddenly moves out during a slumber party. Janet realizes there is so much more to the story as Brad's three-year affair with a coworker comes to light, and they both lose their jobs. Brad is not willing to take the blame for his job loss and takes it out on Janet. Brad's true colors come to light as his true narcissistic side shows. He is unhappy when Janet is ordered sole custody of the children and vows to take them from her. He and his vindictive girlfriend, Suzanne, plan and plot ways to push Janet over the edge to take away the children to punish her for their job loss. Brad and Suzanne eventually marry and continue to harass Janet in unimaginable ways. Janet is strong and weathers many attacks but cannot compete financially with her ex-husband and his wife. Remembering the Raspberries is a tale of parental alienation and how it broke up a mother's relationship with her children. How long can Janet keep the faith?

GCSE Geography Edexcel B 2020-07-16 A student-friendly and engaging resource for the 2016 Edexcel GCSE Geography B specification, this brand new course is written to match the

demands of the specification. As well as providing thorough and rigorous coverage of the spec, this book is designed to engage students in their learning and to motivate them to progress.

Samira Surfs Rukhsanna Guidroz 2021-06-29 A middle grade novel in verse about Samira, an eleven-year-old Rohingya refugee living in Cox's Bazar, Bangladesh, who finds strength and sisterhood in a local surf club for girls. Samira thinks of her life as before and after: before the burning and violence in her village in Burma, when she and her best friend would play in the fields, and after, when her family was forced to flee. There's before the uncertain journey to Bangladesh by river, and after, when the river swallowed her nana and nani whole. And now, months after rebuilding a life in Bangladesh with her mama, baba, and brother, there's before Samira saw the Bengali surfer girls of Cox's Bazar, and after, when she decides she'll become one. *Samira Surfs*, written by Rukhsanna Guidroz with illustrations by Fahmida Azim, is a tender novel in verse about a young Rohingya girl's journey from isolation and persecution to sisterhood, and from fear to power.

The Broadview Anthology of British Literature: Concise Volume A - Third Edition Joseph Black 2016-12-13 In all six of its volumes *The Broadview Anthology of British Literature* presents British literature in a truly distinctive light. Fully grounded in sound literary and historical scholarship, the anthology takes a fresh approach to many canonical authors, and includes a wide selection of work by lesser-known writers. The anthology also provides wide-ranging coverage of the worldwide connections of British literature, and it pays attention throughout to issues of race, gender, class, and sexual orientation. It includes comprehensive introductions to each period, providing in each case an overview of the historical and cultural as well as the literary background. It features accessible and engaging headnotes for all authors, extensive explanatory annotations, and an unparalleled number of illustrations and contextual materials. Innovative, authoritative and comprehensive, *The Broadview Anthology of British Literature* has established itself as a leader in the field. The full anthology comprises six bound volumes, together with an extensive website component; the latter has been edited, annotated, and designed according to the same high standards as the bound book component of the anthology, and is accessible by using the passcode obtained with the purchase of one or more of the bound volumes. The two-volume *Broadview Anthology of British Literature, Concise Edition* provides an attractive alternative to the full six-volume anthology. Though much more compact, the concise edition nevertheless provides instructors with substantial choice, offering both a strong selection of canonical authors and a sampling of lesser-known works. With an unparalleled number of illustrations and contextual materials, accessible and engaging introductions, and full explanatory annotations, the concise edition of this acclaimed *Broadview* anthology provides focused yet wide-ranging coverage for British literature survey courses. Among the works now included for the first time in the concise edition are Chaucer's *The Prioress's Tale*; the *York Crucifixion* play; more poems from Sidney's *Astrophil and Stella*; an expanded section of writings by Elizabeth I, more poems by Lady Mary Wroth, and an expanded selection of work by Margaret Cavendish. The literatures of Ireland, Gaelic Scotland, and Wales are now much better represented, and a selection of work by Laboring Class Poets is now included. There are also new contextual materials—including a substantial section on "Transatlantic Currents." In the case of several authors and texts (among them *The Four Branches of the Mabinogi*, Julian of Norwich, Sir Thomas Malory, and Phillis Wheatley), the new edition will incorporate substantial improvements that have been made in the new editions of the period volumes published in recent years. As before, the Concise edition includes a substantial website component, providing instructors with a great degree of flexibility. For the first time, a selection of Chaucer's *Canterbury Tales* will be available online in facing-column format (with versions in modern English included opposite the original text).

KS1 English Lucy Loveluck 2015

Thirteen Ways of Looking Colum McCann 2015-10-08 A story in this collection has been longlisted for the Sunday Times EFG short story award As it was, it was like being set down in the best of poems, carried into a cold landscape, blindfolded, turned around, unblindfolded, forced, then, to invent new ways of seeing. It is a cold day in January when J. Mendelssohn wakes in his Upper East Side apartment. Old and frail, he is entirely reliant on the help of his paid carer, and as he waits for the heating to come on, the clacking of the pipes stirs memories of the past; of his childhood in Lithuania and Dublin, of his distinguished career as a judge, and of his late wife, Eileen. Later he leaves the house to meet his son Elliot for lunch, and when Eliot departs mid-meal, Mendelssohn continues eating alone as the snow falls heavily outside. Moments after he leaves the restaurant he is brutally attacked. The detectives working on the case search through the footage of Mendelssohn's movements, captured by cameras in his home and on the street. Their work is like that of a poet: the search for a random word that, included at the right instance, will suddenly make sense of everything. Told from a multitude of perspectives, in lyrical, hypnotic prose, *Thirteen Ways of Looking* is a ground-breaking novella of true resonance. Accompanied by three equally powerful stories set in Afghanistan, Galway and London, this is a tribute to humanity's search for meaning and grace, from a writer at the height of his form, capable of imagining immensities even in the smallest corners of our lives.

Words of Wisdom Scott B. Remer 2012-04-03 Written by a former Spelling Bee contestant who placed 34th and 4th in his two years of participating, this revised and updated comprehensive guide to the Scripps National Spelling Bee not only recounts the author's experience, but it also prepares you to have the thrill of your own lifetime! Scott maximizes your study time by organizing the book into sections, each with a specific set of skills or goals in mind. He has dissected almost every language that has entered our English patois and formatted the words into tables, with accompanying observations. There are over one hundred exercises, spelling tests, and activities where you can absorb more than 10,000 regional and national level words. If you are interested in competing on the national level, this book is for you. It has thousands of words of all difficulty levels, for all different types of spellers - the product of almost two years of exhaustive work. We invite you to experience the ultimate reality TV show from the inside. "Bee" wise and choose *Words of Wisdom: Keys to Success in the Scripps National Spelling Bee (2nd Edition)*!

Business Vocabulary in Use Advanced with Answers Bill Mascull 2010-04-29 This is a new self-study reference and practice book for advanced learners of English who need vocabulary for business and professional purposes. It has been carefully researched using the Cambridge International Corpus to ensure that the 2,000 new words and expressions represent the English that native speakers actually use. The book consists of 50 units and follows the highly successful format of the *English Vocabulary in Use* range with presentation material on the left-hand page and practice exercises on the right-hand page. It covers a wide variety of up-to-date business topics and concepts including: people and organisations; quality; strategy;

marketing; IT and the Internet; ethics and globalisation.

After Tomorrow Gillian Cross 2013-04-04 What if you woke up tomorrow and everything had changed? Money is worthless. Your friends are gone. Armed robbers roam the streets. No one is safe. Suddenly you're a refugee. After Tomorrow is an unflinchingly poignant but ultimately hopeful story from Carnegie Medal winning author Gillian Cross, exploring the struggle for survival within refugee camps.
