The Storytelling Animal Jonathan Gottschall 2012
Explores the latest beliefs about why people tell stories and what stories reveal about human nature, offering insights into such related topics as universal themes and what it means to have a storytelling brain.

The Art of Storytelling John D. Walsh 2003-01-01

Whether speaking in front of a small gathering or a large

congregation, public speaking strikes fear into the heart of the bravest person. Plagued by stuttering and resultant school problems, John Walsh still found himself called to be a preacher. He has written *The Art of Storytelling* to encourage and teach anyone with a fear of public speaking how to speak successfully, confidently, and compellingly. This book is especially relevant for anyone preparing any form of weekly Bible teaching.

The Story Paradox Jonathan Gottschall 2021-11-23

Storytelling, a tradition that built human civilization, may soon destroy it. Humans are storytelling animals. Stories are what make our societies possible. Countless books celebrate their virtues. But Jonathan Gottschall, an expert on the science of stories, argues that there is a dark side to storytelling we can no longer ignore. Storytelling, the very tradition that built human civilization, may be the thing that destroys it. In *The Story Paradox*, Gottschall explores how a broad consortium of psychologists, communications specialists, neuroscientists, and literary quants are using the scientific method to study how stories affect our brains. The results challenge the idea that storytelling is an obvious force for good in human life. Yes, storytelling can bind groups together, but it is also the main force dragging people apart. And it's the best method we've ever devised for manipulating each other by circumventing rational thought. Behind all civilization's greatest ills—environmental destruction, runaway demagogues, warfare—you will always find the same master factor: a mind-disordering story. Gottschall argues that societies succeed or fail depending on how they manage these tensions. And it has only become harder,

as new technologies that amplify the effects of disinformation campaigns, conspiracy theories, and fake news make separating fact from fiction nearly impossible. With clarity and conviction, Gottschall reveals why our biggest asset has become our greatest threat, and what, if anything, can be done. It is a call to stop asking, "How we can change the world through stories?" and start asking, "How can we save the world from stories?"

Let the Story Do the Work Esther Choy 2017-07-30

People forget facts, but they never forget a good story.

Let the Story Do the Work shows how the art of storytelling is key for any business to achieve success.

For most, there's nothing easy about crafting a memorable story, let alone linking it to professional goals.

However, material for stories and anecdotes that can be used for your professional success already surround you.

To get people interested in and convinced by what you are saying, you need to tell an interesting story. As the

Founder and Chief Story Facilitator at Leadership Story Lab, a company that helps executives unlock the

persuasive power of storytelling, Esther Choy teaches you how to mine your experience for simple narratives that will

achieve your goals. In Let the Story Do the Work, you can learn to: Capture attention Engage your audience Change

minds Inspire action Pitch persuasively When you find the perfect hook, structure your story according to its

strengths, and deliver it at the right time in the right way, you'll see firsthand how easy it is to turn everyday

communications into opportunities to connect, gain buy-in, and build lasting relationships.

Hippopotamister John Patrick Green 2016-05-10 The zoo isn't what it used to be. It's run down, and Hippo hardly

ever gets any visitors. So he decides to set off for the outside with his friend Red Panda. To make it in the

human world, Hippo will have to become a Hippopotamister: he'll have to act like a human, get a job,

and wear a hat as a disguise. He's a good employee, whether he's a construction worker, a hair stylist, or a sous chef. But what he really needs is a job where he can be himself.

Waiting for Sunrise William Boyd 2012-02-16 Vienna, 1913. It is a fine day in August when Lysander Rief, a young English actor, walks through the city to his first appointment with the eminent psychiatrist Dr Bensimon. Sitting in the waiting room he is anxiously pondering the particularly intimate nature of his neurosis when a young woman enters. She is clearly in distress, but Lysander is immediately drawn to her strange, hazel eyes and her unusual, intense beauty. Her name is Hettie Bull. They begin a passionate love affair and life in Vienna becomes tinged with a powerful frisson of excitement for Lysander. He meets Sigmund Freud in a café, begins to write a journal, enjoys secret trysts with Hettie and appears - miraculously - to have been cured. Back in London, 1914. War is imminent, and events in Vienna have caught up with Lysander in the most damaging way. Unable to live an ordinary life, he is plunged into the dangerous theatre of wartime intelligence - a world of sex, scandal and spies, where lines of truth and deception blur with every waking day. Lysander must now discover the key to a secret code which is threatening Britain's safety, and use all his skills to keep the murky world of suspicion and betrayal from invading every corner of his life. Moving from Vienna to London's West End, from the battlefields of France to hotel rooms in Geneva, Waiting for Sunrise is a feverish and mesmerising journey into the human

psyche, a beautifully observed portrait of wartime Europe, a plot-twisting thriller and a literary tour de force from the bestselling author of *Any Human Heart*, *Restless* and *Ordinary Thunderstorms*.

Time School Nikki Young 2018-05-15 A power cut and a series of mini disasters means friends, Jess, Nadia, Tomma and Ash barely make it to the station to catch their train to school. What they find is a far cry from the usual packed commuter train they're expecting... When they arrive at Hickley School, the children are surprised to find some of the buildings missing and they don't recognise any of the other pupils, who are all dressed in a different style of uniform. The only person who takes the time to help them is Martha, despite being preoccupied by her own worries about her family being hungry and not hearing from brother, Henry whom she says is away fighting. The children soon realise this is no normal day and it's not until they return home that they're able to figure out what happened. What they don't know is whether it was a one-off day, or if they will get to see Martha and the other pupils again. Jess hopes so. She has something she needs to tell Martha. Not knowing how or why, she feels a connection and an obligation to this

girl she can't explain.

Digital Storytelling Joe Lambert 2013-01-04 Listen deeply. Tell stories. This is the mantra of the Center for Digital Storytelling (CDS) in Berkeley California, which, since 1998 has worked with nearly 1,000 organizations around the world and trained more than 15,000 people in the art of digital storytelling. In this revised and updated edition of the CDS's popular guide to digital storytelling, co-founder Joe Lambert details the history and methods of digital storytelling practices. Using a "7 Steps" approach, Lambert helps storytellers identify the fundamentals of dynamic digital storytelling--from seeing the story, assembling it, and sharing it. As in the last edition, readers of the fourth edition will also find new explorations of the applications of digital storytelling and updated appendices that provide resources for budding digital storytellers, including information about past and present CDS-affiliated projects and place-based storytelling, a narrative-based approach to understanding experience and landscape. A companion website further brings the entire storytelling process to life. Over the years, the CDS's work has transformed the way that community activists, educators, health and human services agencies, business professionals, and artists think about story, media, culture, and the power of personal voice in creating change. For those who yearn to tell multimedia stories, Digital Storytelling is the place to begin.

Ties that Bind Jon Soske 2016-11-01 Intimacies of friendship create vital spaces for practices of power and resistance within the histories of apartheid and colonialism. What does friendship have to do with racial difference, settler colonialism and post-apartheid South Africa? While histories of apartheid and colonialism in South Africa have often focused on the ideologies of segregation and white supremacy, Ties that Bind explores how the intimacies of friendship create vital spaces for practices of power and resistance. Combining interviews, history, poetry, visual arts, memoir and academic essay, the collection keeps alive the promise of friendship and its possibilities while investigating how affective relations are essential to the social reproduction of power. From the intimacy of personal relationships to the organising ideology of liberal colonial governance, the contributors explore the intersection of race and friendship from a

kaleidoscope of viewpoints and scales. Insisting on a timeline that originates in settler colonialism, *Ties that Bind* uncovers the implication of anti-blackness within nonracialism, and powerfully challenges a simple reading of the Mandela moment and the rainbow nation. In the wake of countrywide student protests calling for decolonisation of the university, and reignited debates around racial inequality, this timely volume insists that the history of South African politics has always already been about friendship. Written in an accessible and engaging style, *Ties that Bind* will interest a wide audience of scholars, students and activists, as well as general readers curious about contemporary South African debates around race and intimacy.

All the Stories of the Bible John Walsh 2017-06 Seventy five percent of the Bible is written in story format, which makes it easy to read and understand. So why do most people have a hard time understanding the Bible? Well, it would be easier if you could sit in an easy chair by the fire and listen to someone tell them to you; or possibly go out on the back deck during a warm summer evening and listen while sipping on a glass of ice tea. That is how this book is written. It uses a 'telling format' for ease of reading or listening. It puts all the stories in chronological order, eliminating duplicates. All of this is done in common everyday language. Oh, nothing has been skipped over because it is offensive. All the "dirty laundry" of the Bible is included. If you read through all these stories, you are going to get the whole story, as given to us by the original writers. There may come a point when you ask yourself, "Is that really in the Bible? I don't remember that." We

have made it easy for you to check it out for yourself because every story has a scripture reference. This will help you explore the Bible in a whole new way. So start at the beginning and take it one story at a time. In that way you will get the entire Story of God.

Story Journey Thomas E. Boomershine 1988 Presents a new approach for using the Gospels as unique storytelling material. Summer Reading Center for Book Arts 2021-07-08 In the high season of leisure reading and scholastic book challenges, Center for Book Arts presents Summer Reading, an exhibition of works by contemporary artists who take creative approaches to the book, text, and language. In this exhibition, the book is simultaneously complemented and subverted. Artists investigate the tradition of artist's books as artistic structure, storytelling

in visual art, the narrative possibilities of language, and the object-ness of book material in circulation. Including prints, sculptures, and works on paper that explore the design and aesthetics of language, this exhibition celebrates the relationship between reading and making. Summer Reading extends beyond the gallery walls to include featured reading lists culled by the artist participants and associated lending lists for all ages, developed with our local partner libraries. Featuring Breanne Trammell, Cassie Tompkins, Colette Fu, Dan Walsh, Diane Samuels, Erik den Breejen, Jill Moser with Charles Bernstein & Major Jackson, Joy Drury Cox, Lenka Clayton, Lesley Dill, Mary Ellen Bartley, Meg Hitchcock, Michael Mandiberg, Shanti Grumbine, Skye Gilkerson, Tauba Auerbach (Diagonal Press), Travis Head, Ward Shelley

Shine/Variance Stephen Walsh 2021-07-01 "Great, beautiful little studies of unspoken fear and longing and love, told with a sure-footed delicacy rare in a debut" Sarah Moss, Irish Times "An exciting, original, and very welcome new voice" Donal Ryan "These are startling, adventurous and often wonderful stories. I loved this collection" Roddy Doyle A sharp and insightful debut short story collection about the pitfalls of ordinary life A wife yearns to escape the tight-fisted confines of a package holiday. A boy dreams of footballing greatness as his mother mourns a loss. A man tries to assemble an absent child's playhouse, with impossible instructions and too much beer. A woman seeks clarity from automated voices. A father is distracted from Christmas tree shopping with his son by the looming pressure of

quarterly sales targets. Shine/Variance captures the tiny crises and wonders of daily life with warmth, wit and decisive clarity. Ordinary people - commuters, call centre workers, children and parents - struggle for stability while craving more, and the schism between expectation and reality is only rarely bridged. Yet, amidst the faltering, recognition and bright moments of hope still illuminate their days. Fresh, tender and darkly funny, these stories are a window into the longings, frustrations and painfully human connections of ordinary life from a remarkable new voice in fiction. "The most powerful new collection I've read in some years" John Boyne "Brilliantly bats, staggeringly compelling, and ferociously funny. Stephen Walsh rips the concreteness of reality straight from us and reflects back a more wobbly version of our turbulent lives... Completely unique" June Caldwell "Full of assured originality and freshness - a new writer much to be welcomed" Bernard MacLaverty

Writing About Animals in the Age of Revolution Jane Spencer 2020-06-11 What did British people in the late eighteenth century think and feel about their relationship to nonhuman animals? This book shows how an appreciation of human-animal similarity and a literature of compassion for animals developed in the same years during which radical thinkers were first basing political demands on the concept of natural and universal human rights. Some people began to conceptualise animal rights as an extension of the rights of man and woman. But because oppressed people had to insist on their own separation from animals in order to claim the right to a full share in human privileges, the relationship between

human and animal rights was fraught and complex. This book examines that relationship in chapters covering the abolition movement, early feminism, and the political reform movement. Donkeys, pigs, apes and many other literary animals became central metaphors within political discourse, fought over in the struggle for rights and freedoms; while at the same time more and more writers became interested in exploring the experiences of animals themselves. We learn how children's writers pioneered narrative techniques for representing animal subjectivity, and how the anti-cruelty campaign of the early 1800s drew on the legacy of 1790s radicalism. Coleridge, Wordsworth, Clare, Southey, Blake, Wollstonecraft, Equiano, Dorothy Kilner, Thomas Spence, Mary Hays, Ignatius Sancho, Anna Letitia Barbauld, John Oswald, John Lawrence, and Thomas Erskine are just a few of the writers considered. Along with other canonical and non-canonical writers of many disciplines, they placed nonhuman animals at the heart of British literature in the age of the French Revolution.
