When Home Won't Let You Stay Eva Respini 2019-01-01 Insightful and interdisciplinary, this book considers the movement of people around the world and how contemporary artists contribute to our understanding of it. In this timely volume, artists and thinkers join in conversation around the topic of global migration, examining both its cultural impact and the culture of migration itself. Individual voices shed light on the societal transformations related to migration and its representation in 21st-century art, offering diverse points of entry into this massive phenomenon and its many manifestations. The featured artworks range from painting, sculpture, and photography to installation, video, and sound art, and their makers—including Isaac Julien, Richard Mosse, Reena Saini Kallat, Yinka Shonibare MBE, and Do Ho Suh, among many others—hail from around the world. Texts by experts in political science, Latin American studies, and human rights, as well as contemporary art, expand upon the political, economic, and social contexts of migration and its representation. The book also includes three conversations in which artists discuss the complexity of making work about migration. Amid worldwide tensions surrounding refugee crises and border security, this publication provides a nuanced interpretation of the current cultural moment. Intertwining themes of memory, home, activism, and more, *When Home Won't Let You Stay* meditates on how art both shapes and is shaped by the public discourse on migration.

The Bell Bandit Jacqueline Davies 2012-05-01 The third installment of the popular Lemonade War series finds siblings Evan and Jessie Treski at their grandmother's Vermont house for the holidays, solving another mystery. Everything about this trip to Grandma's house was different: First, because of the fire, Mrs. Treski, Evan, and Jessie had driven up to Grandma's two days after Christmas instead of the day before, missing Christmas with Grandma entirely. Second, the fire had left a hole in the back kitchen wall big enough to drive a car through! And with Grandma in the hospital and not in her house, everything felt off. Third, someone had climbed the long, slow slope of Lovell Hill to the top and had stolen the old iron bell hanging on its heavy wooden crossbeam. Who on earth would steal the New Year's Bell? And how could Grandma, Mrs. Treski, Evan, Jessie, and their neighbors ring in the New Year without it? Like a modern-day Beverly Cleary, Ms. Davies writes with heart, humor, and honesty about the inevitability of profound change and reveals just how well she understands the complex emotions of the children. The five books in this fun-to-read series are: The Lemonade War The Lemonade Crime The Bell Bandit The Candy Smash The Magic Trap
