The Monkey Goes Bananas C. P. Bloom 2014-05-06 It's time to go bananas! A determined monkey spies a banana tree across the water. What happens next is an inventive romp, as the resourceful monkey attempts to grab a snack, with some hilarious consequences. Full of energy, surprise, and strong visual storytelling, this practically wordless picture book will entice even the most reluctant reader. The Monkey Goes Bananas is fast-paced, delicious fun that's sure to leave young readers hungry for another read. Praise for The Monkey Goes Bananas "This predominantly wordless picture book delivers a substantial helping of slapstick." --Kirkus Reviews "There is a slapstick element to the humor (the monkey is flung around with some regularity), which will resonate with readers as they turn each page to see what the monkey will try next. Throw in an opportunistic shark with an empty belly, and the pieces are in place for a laugh-out-loud story that should earn plenty of repeat readings." --Booklist "Kids will jump right into this rip-roaring flip book-paced tale." --School Library Journal

The Lucky Monkey 4 Gold Edition Efrat Haddi 2018-12-27 Learn why you should think before you act and not rely only on luck! "The Lucky Monkey 4" tells the story of Troy, the most mischievous monkey in the whole jungle. Everyone called him a lucky monkey because he was always getting into mischief and yet, he never got hurt. "Troy," said his Mother Tanya, "Don't rely on luck only and please, think before you act." The only problem was that Troy didn't listen to her. "I'm the lucky monkey, nothing will ever happen to me," he said. After a few adventures, Troy learns to be careful and think before he act and not rely only on luck. Author Efrat Haddi is taking young children on a journey with Troy while he learns a very important lesson. "The Lucky Monkey 4" helps to teach children an important social skill that can make home life happier and school more successful. Monkey Bandit and the Naughty Ball 2016-11-02 Do you have a toddler who is ever so slightly tempted to bend the rules every once in a while (all for a "good" reason, of course)? Then you will like the story of Monkey Bandit and the naughty ball! Monkey Bandit, much like any toddler, forgets about the rules. He knows he cannot play with a ball inside the house, but are bending over the ball or touching it with one finger considered playing with the ball"? This colorfully illustrated, funny children's story will make babies and toddlers giggle at the misadventures of Monkey Bandit. You can also start a very useful conversation, as the adult, about "bending the rules." Rules... rules... what are those exactly?!"

The Lucky Star Judy Young 2011-08-18 It is 1933 and the Great Depression has ravaged the nation. Millions of people are out of work; thousands of families are struggling to keep a roof overhead and food on the table. But Momma still finds ways to count her blessings (lucky stars) from Ruth's new shoes to Poppa's new job. But where Momma sees the 'bright,' Ruth only sees the dark. Her shoes are hand-me-downs from a neighbor and Poppa's new job keeps him away from home for months. And now their town can't afford to keep the school open. Ruth will not be going to fourth grade even though she's one of the brightest students in her class. How can anyone find the good in that? But when Ruth stops thinking of her own problems and focuses on someone else's, she realizes that being a lucky star is the best way to start seeing your own lucky stars. In addition to writing children's books, Judy Young teaches poetry writing workshops for children and educators across the country. Her other books with Sleeping Bear Press include the popular R is for Rhyme: A Poetry Alphabet and Lazy Days of Summer. Judy lives near Springfield, Missouri. This is Chris Ellison's third book in the Tales of Young Americans series. He also illustrated Rudy Rides the Rails and Pappy's Handkerchief. His first book with Sleeping Bear Press, Let Them Play, was named a 2006 Notable Social Studies Trade Books for Young People. Chris lives in Hattiesburg, Mississippi.

Adventures of Pippi the Pink Monkey Carlo Collodi 2019-07-07 Pippi isn't like his four brothers or the other young monkeys living in the forest of Hullabaloo: he has bright-pink fur, a mischievous character and a rebellious streak that lands him into all sorts of scrapes. In this story, an expanded version of Collodi's original tale, we see him lose his tail to an ancient crocodile, end up as a valet to a young master, fall into the hands of flying bandits and become emperor of a tribe of apes, before preparing to set off on a long journey at sea. Collodi wrote this story immediately after Pinocchio, and the little monkey's adventures present clear similarities, both in terms of themes and characters, with his more celebrated masterpiece. This rediscovered gem of Italian literature is here adapted and expanded by Alessandro Gallenzi. This edition is here presented with illustrations by Axel Scheffler and a section of extra material for young readers.

Monkey and the Little One Claire Alexander 2015-05-07 From the author of 'Back to Front and Upside Down' and 'Lucy and the Bully' comes a beautiful story of love and friendship. Monkey lived all alone in the jungle. He liked it that way. Monkey lives a quiet life, alone in the jungle. At least, he does until a visitor arrives and spoils his peace. The Little One makes himself right at home, he wants to share Monkey's jungle and life. Will this odd couple get along or go their separate ways? A charming, warm-hearted tale of the importance of friendship and the power of jam sandwiches. The perfect story time read for kids ages 3 and up. Look out for Millie Shares and The Best Bit of Daddy's Day. Claire earned a Degree in Fine Art in Canterbury then moved to London in 1995. She tried various jobs until settling down as a portrait painter and children's book author/illustrator in 2003. Millie Shares, Claire's first book for Egmont, was a tender story about sharing. She has also published many other fantastic titles including Small Florence, Back to Front and Upside Down and Lost in the Snow.

Trend Commandments Michael Covel 2011 Presents the essential wisdom of trend following investing in short, entertaining, easy to understand elements everyone can understand. * *Delivers invaluable moneymaking insights from true winners, backed by real performance results. *Discusses trend following strategies in the context of today's radically new and unstable financial environment. *Helps you rethink everything you know about making money. The markets are a game, and most people are playing the wrong way--to their huge economic disadvantage. No jargon. No platitudes. Just real market lessons tied together with optimism and practicality. Pull back the Wizard of Oz curtain to see how and why big money is made today. No reliance on government, media, or Wall Street. In this book, self-sufficiency rules the day. In Trend Commandments, Covel distills the essential wisdom of trend following as an investment strategy into fascinating, bite-sized pieces that any investor can absorb. Much shorter than Covel's previous books, Trend Commandments delivers real moneymaking insights from true winners, backed by real performance results--not idle talk or platitudes. Discover how one of the biggest names in trend following made over 20% in August 2010 alone, and why this strategy keeps making big money when everyone else is dropping like a stone. Learn how to escape the cycle of 'panic, fear, hope, and return-to-panic,' and how to profit in an age of financial crisis and deepening instability. Michael Covel (San Diego, CA) is a highly respected author, director, and entrepreneur who founded the internationally known website TurtleTrader.com in 1996. Covel's first book was Trend Following: How Great Traders Make Millions in Up or Down Markets. The book profiles great trend following traders who have won billions in the market (100,000+ plus copies sold, translated into 10 languages). Covel's second book, The Complete TurtleTrader (translated into 6 languages), is the definitive inside look at the

legendary trader Richard Dennis and his student traders, 'The Turtles.'
