Stripped Bare Emma Hart 2016-06-19 What do you get when you mix a bachelorette party, the queen of dating disasters, and a stripper so hot he was forged from the fires of hell? Screwed. You get screwed.... Cocky. Commanding. Powerful. Relentless. Those four words all summed up West Rykman perfectly. So did filthy, dirty, sexy, and addictive. He was supposed to be my one night stand...not my new marketing client. He was definitely not supposed to be back inside my pants, not that anybody told him that. I knew one thing: What West Rykman wanted, West Rykman got. And he wanted me. What happens in Vegas... might just make you stay. (STRIPPED BARE is a standalone, erotic novel with romcom elements. Freakling Lana Krumwiede 2012-10-09 A thrilling, fast-paced dystopian novel about the dangers of unchecked power and the dilemmas facing a boy torn between two ways of life. In twelve-year-old Taemon's city, everyone has a power called psi — the ability to move and manipulate objects with their minds. When Taemon loses his psi in a traumatic accident, he must hide his lack of power by any means possible. But a humiliating incident at a sports tournament exposes his disability, and Taemon is exiled to the powerless colony. The "dud farm" is not what Taemon expected, though: people are kind and open, and they actually seem to enjoy using their hands to work and play and even comfort their children. Taemon adjusts to his new life quickly, making friends and finding unconditional acceptance. But gradually he discovers that for all its openness, there are mysteries at the colony, too — dangerous secrets that would give unchecked power to psi wielders if discovered. When Taemon unwittingly leaks one of these secrets, will he have the courage to repair the damage — even if it means returning to the city and facing the very people who exiled him?

The Sky Inside Clare B. Dunkle 2010-12-21 Martin lives in a perfect world. Every year a new generation of genetically-engineered children is shipped out to meet their parents. Every spring the residents of his town take down the snow they've stuck to their windows and put up flowers. Every morning his family gathers around their television and votes, like everyone else, for whatever matter of national importance the president has on the table. Today, it is the color of his drapes. It's business as usual under the protective dome of suburb HM1. And it's all about to come crashing down. Because a stranger has come to take away all the little children, including Martin's sister, Cassie, and no one wants to

talk about where she has gone. The way Martin sees it, he has a choice. He can remain in the dubious safety of HM1, with danger that no one wants to talk about lurking just beneath the surface, or he can actually break out of the suburb, into the mysterious land outside, rumored to be nothing but blowing sand for miles upon miles. Acclaimed author Clare B.
