'Tom Wolfe at his very best... Learned, cheeky, risky, touching, tough, compassionate, nostalgic, worshipful, jingoistic...The Right Stuff is superb' New York Times Book Review

And how do businesses make use of this information? Comprehensively researched and singularly insightful, *You May Also Like* delves deep into psychology, marketing and neuroscience to answer these complex and fascinating questions. From the tangled underpinnings of our food choices, to the discrete dynamics of the pop charts and our playlists, to our non-stop procession of 'thumbs' and 'likes' and 'stars,' to our insecurity before unfamiliar works of art, the book explores how we form our preferences - and how they shape us. I'd Like to Play Alone, Please Tom Segura 2022-06-14 From Tom Segura, the massively successful stand-up comedian and co-host of chart-topping podcasts "2 Bears 1 Cave" and "Your Mom's House," hilarious real-life stories of parenting, celebrity encounters, youthful mistakes, misanthropy, and so much more. Tom Segura is known for his twisted takes and irreverent comedic voice. But after a few years of crazy tours and churning out podcasts weekly, all while parenting two young children, he desperately needs a second to himself. It's not that he hates his friends and family — he's not a monster — he's just beat, which is why his son's (ruthless) first full sentence, "I'd like to play alone, please," has since become his mantra. In this collection of stories, Tom combines his signature curmudgeonly humor with a revealing look at some of the ridiculous situations that shaped him and the ludicrous characters who

always seem to seek him out. The stories feature hilarious anecdotes about Tom's time on the road, including some surreal encounters with celebrities at airports; his unfiltered South American family; the trials and tribulations of parenting young children with bizarrely morbid interests; and, perhaps most memorably, experiences with his dad who, like any good Baby Boomer father, loves to talk about his bowel movements and share graphic Vietnam stories at inappropriate moments. All of this is enough to make anyone want some peace and quiet. I'D LIKE TO PLAY ALONE, PLEASE will have readers laughing out loud and nodding in agreement with Segura's message: in a world where everyone is increasingly insane, sometimes you just need to be alone.
