The Great Northern Desert was their only legacy. Not a trace remained for a thousand years... Then on one unforgettable day, a dark moon rose above the Great Northern Desert, and a black tidal wave swept across the land. In moments, the desert had vanished beneath lush fields and forests and a great city could be seen glittering in the morning sunlight. From this city re-emerged the blood-hungry Daroth, powerful and immortal, immune to spear and sword. They had only one desire: to rid the world of humankind for ever. Now the fate of the human race rests on the talents of three heroes: Karis, warrior-woman and strategist; Tarantio, the deadliest swordsman of the age; and Duvodas the Healer, who will learn a terrible truth...

Morningstar David Gemmell 2011-06-01 There was nothing Jarek Mace wouldn't do for the right price—including becoming a hero. The Angostin hordes raged over the Southern Borders. Evil sorcery ruled, and the vampyre kings lived once more. The Highland people were in much need of a great hero. Jarek Mace needed nothing and no one—not even that bard Owen Odell, with whom he now traveled. But when Mace harassed the Angostins for his own purposes, he inadvertently aided the Highland people. And now he was being hailed as a hero, a legend, the great Morningstar returned. But Owen Odell knew the real man behind the people's tales. Mace was an outlaw, a bandit, a heartless thief. He was no savior of the people. He was no legend. Or was he? "It seems that every time I read a new David Gemmell novel it is better than the last—and Morningstar is no exception. . . . The main difference between the book and the myths it draws upon is that Gemmell includes some of the less savory characters who we suspect may have been at the basis of both Robin and Arthur."—Starburst
